

Role: Painter & Decorator
Reports to: Building Services Manager
Direct Reports: One direct report
Location: Scottish Event Campus, Glasgow, site-based role

Role Summary

To carry out planned, preventative and reactive painting and decoration works relating to all aspects of buildings within the SEC campus as required, ensuring that all duties are undertaken with due regard to all current Health and Safety Regulations and good working practice.

Key Responsibilities

- Carry out general Painter & Decorator duties within the SEC campus.
- Prepare surfaces by removing old paint, filling holes and cracks, sanding, and priming.
- Apply paints, stains, varnishes, and other finishes using brushes, rollers, or spray equipment.
- Paint walls, ceilings, doors, windows, skirting boards, and other surfaces to a high standard.
- Ensuring that all paint supplies are at agreed colour codes and are used in the correct areas.
- Carrying out requests as detailed in the SEC facilities systems.
- Liaising with building Fabric Supervisor to record completed work.
- Working flexibly to suit business levels.
- Ensuring all painting work is carried out within the perimeters of Health and Safety Legislation.

Required Skills and Experience

- NVQ Level 2 or equivalent in Painting & Decorating (desirable).
- Knowledge of various painting techniques, surface preparation, and finishing methods.
- Experience working in occupied premises and managing customer expectations.
- Ability to work at heights and use access equipment safely.

Key Competencies

- Ensure all surfaces are protected during work, using dust sheets, masking tape, and other materials.
- Full UK driving licence.
- Is self-aware and able to evaluate their own work.
- Has the ability to multi-task and provides excellent attention to detail.
- Knowledge of different types of paints and finishes.
